

**RICE CONSOLIDATED ISD  
ACCELERATED READER GUIDELINES  
Grades 1-8**

The Accelerated Reader Program should be used at all campuses across the district.

Each grade level will have an Accelerated Reader Point Scale. The Point Scale will determine the grade for the six weeks based on the number of AR points accumulated by the student. The average of the test scores will count 10% of the grade and the grade based on the point scale will count 10% of the grade each six weeks. Special Education students will have their points doubled on the point scale unless otherwise determined by the ARD committee.

Kindergarten will begin the program the fourth six weeks. First grade through twelfth grade will begin the program the first six weeks. Each campus may reward students as they choose.
