Color Your Meals Healthy!

Do you use more than one color when you draw or paint? Think of vegetables the same way! They come in a variety of colors and each color has its own special power for you. The more colors of vegetables you eat, the more you do for YOU to be strong, smart and fit! Supercharge your body and mind by adding red peppers, orange carrots, yellow corn, green broccoli, purple beets, and white cauliflower. Did you notice the colors made a rainbow too?
