

# Rice Project Graduation Scholarship

(Please print or type in black ink)

## **Rice Project Graduation Scholarships are awarded at the Academic Banquet.**

All seniors are encouraged from the beginning of the year to participate in all Project Graduation events. Project Graduation is a community-wide sponsored "drug and alcohol free" event for high school graduates that is held in the Rice High School Commons after commencement ceremonies on graduation night. Prizes are awarded to all seniors in attendance. Scholarships are also awarded to seniors that have met all of the required criteria. Dollar value amount per scholarship will vary each year, depending on funds raised and/or monetary donations. This scholarship is not based on a senior's GPA; it is solely based on each senior's participation level in Project Graduation. **Qualifying seniors must show proof of College or Trade School enrollment on or before September 9<sup>th</sup>; if the required proof of enrollment is not presented, the offered scholarship will become null and void. To be eligible:**
