

INTERVENTION SUPPORT PLAN

The Student Intervention Team has reviewed and considered all data/information presented and has identified the following support plan to enable the student to make adequate, measurable progress:

- Implement the following INTENSE INSTRUCTIONAL SUPPORTS--in addition to the daily instruction provided to the student in the identified area(s): *(NOTE: Supplemental instruction to be provided in a small-group setting by an instructional specialist for 10 to 12 weeks. Student's progress to be monitored and measured weekly.)*

<input type="checkbox"/> Reading <i>Evidence-based program/practice:</i> _____ _____ <i>Intensive instruction for _____ minutes per day (in addition to regular instruction)</i>
<input type="checkbox"/> Language Arts <i>Evidence-based program/practice:</i> _____ _____ <i>Intensive instruction for _____ minutes per day (in addition to regular instruction)</i>
<input type="checkbox"/> Math <i>Evidence-based program/practice:</i> _____ _____ <i>Intensive instruction for _____ minutes per day (in addition to regular instruction)</i>
<input type="checkbox"/> Science <i>Evidence-based program/practice:</i> _____ _____ <i>Intensive instruction for _____ minutes per day (in addition to regular instruction)</i>
<input type="checkbox"/> Social Studies <i>Evidence-based program/practice:</i> _____ _____ <i>Intensive instruction for _____ minutes per day (in addition to regular instruction)</i>

Date Intervention(s) Begin: _____
